Coming by car/taxi:

Since the MTZ was newly built in 2008, the street Agnes-Pockels-Bogen is not yet listed in city maps and car navigation systems. The MTZ is directly located behind the Munich City Utilities (Stadtwerke München (SWM)), which is located in Emmy-Noether-Straße 2 (crossing Dachauer Str.). Please enter the address “Emmy-Noether-Straße 2” into your navigation system.

Travelling by public transport from Central Station:

Please use underground line U1 (leaves every 10 minutes) in the direction of „Olympia Einkaufszentrum“ and leave the underground at station “Westfriedhof”. The duration to Westfriedhof is around 7 minutes. Then walk by foot as shown in the map (distance about 500 m).
